1 THE RIGHT TO THE CITY

David Harvey

product an inner connection emerges between the development of capitalism and urbanization. Let us look more closely at what capitalists do. They begin the day with a certain amount of money and end the day with more of it. The next day they wake up and have to decide what to do with the extra money they gained the day before.

the United States, as well as in persistently poor inner cities, the Delta, Appalachia, Indian Country, and in other struggling communities.

you and substance use - here to help

this all around you. For instance, you probably know people who have smoked cigarettes and used alcohol their whole lives and have yet to experience a related health problem. They may have avoided relationship, financial and legal problems, too. But you likely also know people whose illness or death was directly linked to their use of tobacco
