*Bad Boy* Walter Dean Myers 2009-10-06  
A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and

physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

### **Fat Witch Brownies**

Patricia Holding

2010-09-14 At long last, the owner of New York City's legendary Fat Witch Bakery shares her top-secret recipes for

decadent and delicious brownies, blondies, and bars Patricia Holding's rich, intensely chocolatey Fat Witch brownie is a New York obsession, an internet sensation, and arguably the very best brownie to be found on the planet. Unlike other bakeries that feature a range of desserts, Fat Witch, launched by Holding in 1998, specializes only in brownies—baking and selling over 2,000 each day. In Fat Witch Brownies, Holding showcases for the first time her favorite spins on the classic chocolate brownie with creations like the Banana Bread Brownie and the Breakfast Brownie, and she expands her repertoire even further with recipes for other scrumptious bar-shaped confections. With over 50 recipes that can be baked in the same 9 x 9-inch pan and require

fewer than 10 ingredients, *Holding* shows that baking from scratch is neither expensive nor time-consuming. All of her recipes include ingredients from local grocery stores, and are ready to serve in one hour or less. Beginning with tips on the proper tools, timing, and techniques, continuing with five chapters of recipes, and finishing with fabulous frostings, *Fat Witch Brownies* allows you to explore the versatility and richness of brownies and bars and create the incredible desserts in your very own kitchen that have made *Holding's* bakery famous.

**One Poison Pie** Lynn Cahoon 2021 New York Times and USA Today bestselling author Lynn Cahoon launches a sparkling new series featuring Mia Malone, a kitchen witch who's

starting over in her grandmother's Idaho hometown of Magic Springs, where the use of magic is an open secret and murder is on the menu... What's a kitchen witch to do when her almost-fiancé leaves her suddenly single and unemployed? For Mia Malone, the answer's simple: move to her grandmother's quirky Idaho hometown, where magic is an open secret and witches and warlocks are (mostly) welcome. With a new gourmet dinner delivery business--and a touch of magic in her recipes--Mia's hopes are high. Even when her ex's little sister, Christina, arrives looking for a place to stay, Mia takes it in stride. But her first catering job takes a distasteful turn when her client's body is found, stabbed and stuffed under the head

table. Mia's shocked to learn that she's a suspect--and even more so when she realizes she's next on a killer's list. With Christina, along with Mia's meddling grandma, in the mix, she'll have to find out which of the town's eccentric residents has an appetite for murder...before this fresh start comes to a sticky end...

Wicked Gregory Maguire 2009-10-13 This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of one of the

most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

### **The Psychosocial Implications of Disney Movies** Lauren Dundes

2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social

structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. *Easy Pumpkin Carving* Colleen Dorsey 2020-10-01 Carve the perfect Halloween

Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian

interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the

Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

**The Sumerians** Samuel Noah Kramer 2010-09-17  
The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are

few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology  
"An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

Holiday break is over, and the girls are finally back at the Paranormal Institute for Witches. Campus is now blanketed with a thick layer of snow, thanks to the

Christmas Eve storm that covered the tiny town of Aspen Falls, Pennsylvania.

Unfortunately, the first day back isn't starting off so well. First, a new girl picks a fight with Alba in the cafeteria and then she sets her sights on Houston Brooks. But when one of the girls' beloved school employees is found dead, things really take a turn for the worse. It's not until the dearly departed's ghost fingers the murderer that it seems like it's an open and shut case. But is it really? Mercy's not so sure. Convincing Alba and the rest of the girls to help her figure out the truth may not only land them in hot water with Sorceress Stone once again, but it may also put their lives in danger. Rejoin your old friends, Mercy, Jax, Sweets, Holly, and Alba

for a wild ride that ends with a wedding and a surprise guest!
